DEAR DOCTORAL CANDIDATES, STUDENTS AND TO ANYONE WHO MIGHT BE INTERESTED!

We are delighted to present the informative guide that should give you an idea of in-depth insight into what **SGGW Doctoral School Week** is all about.

You'll find out what we have in store for you, what events and when they'll take place.

During the event, you will have the opportunity to participate in interesting training sessions, watch the final stage of the doctoral candidates research competition, and visit SGGW's scientific facilities, also visit places outside Warsaw.

The SGGW Days will be held during SGGW Doctoral School Week. The SGGW Doctoral Student Council has planned other exciting activities then!

SEE YOU THERE!
