Dear PhD Students,

due to numerous enquiries concerning the results of the STER competition, we would like to kindly inform you that in accordance with § 7 Final Provisions pt. 6. *Submitting an application in the call for proposals is tantamount to accepting the provisions of the Regulations.* On the other hand, it is stated in the regulations, § 5, point 1, that the Scholarship financed by the Project is awarded by a three-person committee consisting of the Director of SGGW Doctoral School, Deputy Director of SGGW Doctoral School and Project Financial Manager. **The committee's decisions are final.**

This provision clearly means that there is no appeal path in the competition. Therefore, appeals submitted will not be considered.
